## BRITISH ATTITUDE.

Hawaiian Royalist Question—Ambas-  
sador Pauncefote's Friendly View.

London, June 23.—In the House  
of Commons tomorrow Ernest  
William Beckett, Conservative  
member for the Whitby division  
of the north riding of Yorkshire,  
will question the Government as  
to whether it is aware that "Queen  
Liliuokalani has been deposed by  
a small body of Americans, who,  
without right or title, have assumed  
sovereignty over Hawaii, and  
now, to save themselves from the  
resentment of the people, have re-  
quested the American Government  
to annex Hawaii, and if Great  
Britain proposes to allow this  
most important coaling station to  
pass into the hands of the United  
States without opposition."

New York, June 23.—Sir Julian  
Pauncefote sailed for London to-  
day. When questioned as to Ha-  
waii, he said to a reporter: "My  
hands and tongue are off Hawaii,  
as well as off Cuba. I can handle  
neither question, and certainly  
would not discuss either topic.  
One thing about Hawaii may be  
said, though. England and Amer-  
ica are not likely to quarrel over  
the matter, and it is my profound  
hope they will never quarrel on  
any other."

## Uncertainties and a Certainty.

The attention of the public is  
now fully occupied and diverted  
in the consideration and discus-  
sion of several important current  
and prospective happenings. An-  
nexation, as yet unsecured, Re-  
ciprocity threatened; the coming  
of the Naniwa, and her mission  
after arrival; the outcome of the  
war between Greece and Turkey  
and, whether or no, all Europe  
will eventually become involved;  
the settlement of the quarantine  
squabble—are all themes of much  
conjecture and uncertainty, and  
while opinions are freely offered,  
none can accurately foretell the  
outcome of any of these matters.  
Nevertheless, it is becoming more  
apparent, as each day passes, that  
Buffalo and Hoffbrau are the  
favorite brews, and it is gratifying  
that assurance is given that  
regular shipments of these whole-  
some and strengthening bever-  
ages can be depended upon, and  
that they will, as heretofore, be  
dispensed at the Royal, Pacific  
and Cosmopolitan Saloons, and  
that the interchangeable check  
system is an established fact.

## All American Shipping Under An- nexation.

Touching the point made by  
Senator Perkins that annexation  
would hurt American shipbuild-  
ing prospects, one important fact  
has been overlooked. If the is-  
lands come into the Union the  
trade between them and the United  
States will be "coasting traffic,"  
in which none but American ves-  
sels may take part. The effect of  
this would be to exclude British  
and Japanese craft now in the  
business and give our own vessels  
a monopoly.—S. F. Chronicle.

## Behind the Times.

The Buffalo Express states that  
the Japanese in Hawaii number  
but 12,360, and attempts to prove  
it by the census of 1890. That is  
a basis which it would not accept  
for the population of its own city,  
and why for Hawaii? A later  
census in the islands shows that  
the Japanese now number over  
24,000 and they had begun to in-  
crease through immigration, when  
the Dole Government interfered,  
at the rate of 800 per month.—S.  
F. Chronicle.

## Rattlesnakes, Butterflies, and ... ?

Washington Irving said, he supposed a certain hill was called  
"Rattlesnake Hill" because it abounded in—butterflies. The  
"rule of contrary" governs other names. Some bottles are, sup-  
posedly, labeled "Sarsaparilla" because they are full of... well,  
we don't know what they are full of, but we know it's not sarsapa-  
rilla; except, perhaps, enough for a flavor. There's only one  
make of sarsaparilla that can be relied on to be all it claims. It's  
Ayer's. It has no secret to keep. Its formula is open to all  
physicians. This formula was examined by the Medical Com-  
mittee at the World's Fair with the result that while every other  
make of sarsaparilla was excluded from the Fair, Ayer's Sarsapa-  
rilla was admitted and honored by awards. It was admitted be-  
cause it was the best sarsaparilla. It received the medal as the  
best. No other sarsaparilla has been so tested or so honored.  
Good motto for the family as well as the Fair: Admit the best,  
exclude the rest.

Any doubt about it? Send for the "Curebook."  
It kills doubts and cures doubts.
